

THE IRRADIATES

(Besançon - France)

The Irradiates is a four piece band from Besançon, France with members from various groups including HAWAII SAMURAI and ARNO DE CEA & The Clockwork Wizards.

Working with critically acclaimed engineers including Steve Albini (Man Or AstroMan?, Pixies, Nirvana...) and Jim Monroe (Bamboras, Adolescents, Ghastly Ones..) in collaborations produced four full length LPs released, and a bunch of EPs and 7inch split singles.

Since 2008, the Irradiates have spread their cosmic material with sharp guitars and punk energy across the UK and Europe, from Spain to Ukraine and from Scandinavia to Istanbul.

Following their latest US West Coast tour, they released a live album in 2025, recorded during a radio show at KFJC.
